

DAILY PLAN TO EMBODY YOUR AUTHENTIC SELF

MORNING ROUTINE (Total Time: ~45 mins)

1. **Cold Shower (5 mins)**

- Shock your body awake. Reclaim control. Begin the day in discipline.

2. **20 Push-ups**

- Start with strength. Feel your body. Show your soul you are here to fight.

3. **Sacred Silence (10 mins)**

- Sit. Breathe. No phone. Just presence. Observe your thoughts. Reconnect.

4. **Journal Prompt (5 mins)**

- Write: *"What does my Highest Self do today?"*
- Be honest. List 3 specific actions (study, workout, call mom, etc.)

5. **Affirmations (5 mins)**

Say these aloud with conviction:

- *"I do not chase pleasure—I build power."*
- *"My pain is not my enemy. It is the path."*
- *"Each day I choose the sacred over the easy."*

6. **No sugar, porn, or phone for the first 90 mins of day**

- This builds mental clarity, spiritual strength, and hormonal stability.
-

MIDDAY CHECK-IN (2 mins)

- Ask yourself: *"Am I living like my Highest Self today?"*
 - If not, do **one hard thing immediately** (e.g., 30-min focused study, 15 push-ups, deep breath prayer).
-

EVENING REFLECTION (10 mins)

1. Write these 3 questions in a journal:

- Where did I slip?
- Where did I stay true?

- What will I do better tomorrow?

2. Forgiveness Ritual (2 mins)

- Say aloud: *"I forgive myself for today. I walk again tomorrow."*
-

WEEKLY RITUAL (Every Sunday)

Sit for 30 mins and ask:

1. Who did I serve this week?
 2. Who did I become?
 3. What mask did I drop?
 4. What truth did I embrace?
-

RULES TO LIVE BY

- Pain is the path. Run toward it.
 - No more pretending. Be the truth.
 - Women are sacred. See them as mirrors, not prizes.
 - Your body is your temple. Train it daily.
 - Every day is a vote: for the slave of comfort or the son of God.
-

MESSAGE TO SELF (Repeat When Lost)

*"I was not born to indulge and disappear. I was born to rise, protect, serve, and love.
The sacred version of me is not a dream—he is a decision."*

You are not broken. You are becoming.
